## The Hub's Winter Theatre Camp December 4th-18th, Ages 7-12

Participants in the Hub Theatre's winter camp will engage in the rehearsal process for our production of Merry Happy...What?, and perform along side our cast of local professional actors.

As well, they will enjoy games, crafts, and stories geared towards building theatre skills, and understanding the various artistic mediums involved in putting up a show. Our goal is to provide a safe, fun, and creative environment for young artists.

### About The Show

#### MERRY, HAPPY...WHAT?

*Molly has the same trouble every year. When Christmas, Hanukkah and Kwanzaa roll around she always feels left out. No one else celebrates the same holiday that she does. A play in development and sure to change with the help of The Hub's camp attendees. Campers will attend 2 weekends of camp and one weekend of performance. The parents can take care of holiday errands while their children enjoy theatre games, crafts and becoming part of the show.*
